EXPERIENCES

MADE MOVEMENT
2012 – Present

CREATIVE TECHNOLOGIST, TECHNICAL LEAD

- Helped launch Made Movement, a marketing agency dedicated to supporting a resurgence in American manufacturing.
- Research, develop and design interactive products for clients including New Belgium Brewing, Copper Mountain, Seventh Generation, Stonyfield Yogurt and Fred Water.
- Created Made's first developer internship program by interviewing candidates, determining and managing intern responsibilities, conducting code reviews and providing weekly status updates.
- Ensure team's code is organized cleanly, functions properly and is written efficiently.

ROCKY MOUNTAIN PBS - BOULDER BOX SET
2011 - 2012

CREATIVE DIRECTOR

- In collaboration with the University of Colorado, created the Boulder Box Set, an Emmy-award winning music series that features performances captured live at the CU's Black Box theater.
- Led conceptual, design and digital efforts to bring the Boulder Box Set identity to life.
- Presented concepts and designs to the PBS and Boulder Box Set teams to communicate our methodology, strategy and goals.

McGLADREY & PULLEN
2009 – 2011

SENIOR IT CONSULTANT, CPA

- Conducted client IT reviews in support of financial audit engagements as both a solo consultant and a team leader.
- Audited Fortune 500 organizations to verify compliance with the IT portions of the Sarbanes-Oxley Act.

THE AGENCY GROUP
Summer 2007, Summer 2008

MUSIC BOOKING INTERN

- Collaborated with international team members to compose and analyze contracts for promoters and Billboard Top-100 artists.
- Contacted promoters throughout Europe and the US to gather event data and distribute it to senior agents.
- Researched, organized and distributed worldwide event information about clients and competitors.

DESIGN
User Experience, User Interface, Art Direction, Adobe Creative Suite

ENTREPRENEURSHIP
Having been part of three startups, I've learned the following: how to work in an unstructured environment, how to manage risk, how to learn, how to launch, how to manage a team, how to make it work and how to know when it won't.
